

FOOTBALL BANQUET

TWENTY-THIRD ANNUAL FEED MOST ENJOYABLE

Auburn Conceded the Championship by Cosmopolitan

Celebrating the successful football season the 1914 team was tendered a banquet in Smith Hall on Tuesday night, Dec. 1, by the Athletic Association. The Hall was most appropriately decorated in Auburn colors with the trophies of the games of the season, the football used in each, hung from the drapery. Representing the scoreless season a large goal post of pure white was placed at the entrance with the inscription "The Immaculate Goal" on the cross-bar. The tables were arranged in the form of three large A's standing for Auburn Athletic Association. The decoration was the work of Mrs. W. E. Hinds and a corps of assistants and was the best ever presented at a similar occasion in Auburn. A most delightful menu was served. Prof. B. B. Ross acted as toastmaster and added much to the enjoyment of all present by his large stock of anecdotes from ancient and modern lore. The musical side of the feast was capably cared for by the Orchestra and the Glee Club Quartette.

The toast, "The Season," was responded to by Coach Donahue. In commenting upon the controversy for the championship, Coach said that this season was a very common one in that respect. Auburn is again in dispute with a team from the state of Tennessee, which happens with Vanderbilt, Sewanee or the University almost every year. It is very seldom that any team has an undisputed claim to the championship. He spoke very highly of the 1914 team and the unselfish spirit of this team. To the alumni who returned to help with the coaching, a great deal of credit is due. They have proved themselves "absolutely Auburn."

"College Athletics" was very ably handled by Dr. Thach. He spoke of the value of athletics to a college for the democracy which is developed. Doc stated that not only have we the Championship of the S. I. A. A., in football, but also in good name.

The third speaker of the evening was Gus Graydon, on "The Management." He reviewed the season from a financial standpoint and spoke of the new Gym. which will be begun in the near future. Waxing eloquent, Gus spoke of Auburn from the viewpoint of an Auburn man—"Nuf Said!"

Getting away from the men behind the guns, Joe Starkey was called on to respond to the toast "Auburn Spirit from a Student Standpoint." This he did, paying high compliment to the student body as a whole and to the Band as factors in Auburn's success.

Having heard the opinions of Auburnites from America, Shu Min Wong, of China, representing the foreign students was called upon to answer "Auburn Spirit from a Cosmopolitan Standpoint." As a neutral power Wong declared Auburn Champions of the South and conferred upon the team the name of "Heroes of the Athletic World."

In calling on Capt. Robinson, Prof. Ross very aptly used the

1915 SCHEDULE

Auburn Signs Up for a Hard Season

Following the theory that a contender for the S. I. A. A. football honors should play as many Association teams as possible, the dates so far arranged for Auburn's 1915 schedule do not include institutions outside that organization.

To carry out this plan, many attractive offers from colleges of other sections were turned down. Auburn's splendid gridiron achievements and her reputation for good sportsmanship have made dates with her desirable wherever clean, first-class football is admired.

The Georgia game has been moved up to October 30 and thus the old-time jinx can be met while we are on the ascendancy, instead of after the team has passed the climax of efficiency. The Tech game has also been changed to Thanksgiving and should prove a big drawing card, as Heisman's aggregation always puts up a strong fight, and Atlanta fans always turn out a big crowd to see it done.

The following is the schedule as it now stands:

Oct. 2—Mercer at Auburn.
Oct. 9—University of Florida at Auburn.
Oct. 16—Clemson at Clemson.
Oct. 23—Miss. A. and M. at Birmingham.
Oct. 30—University of Georgia at Atlanta.
Nov. 6—Pending.
Nov. 13—Vanderbilt at Birmingham.

Thanksgiving—Georgia Tech at Atlanta.

BASKET BALL SEASON BEGINS

Since football season has waned, leaving in its wake a glorious record, the time is upon us for the preparation of a basket-ball team that will win an equal fame. It is up to us to show Alabama, Georgia and other Southern states that we can turn out a first class basket-ball team, which has not been done since 1907, when the Orange and Blue tied Columbus Y. M. C. A. for the Southern Championship.

The reason for this, is that each succeeding year has seen a waning of interest in basket-ball until at present it is practically dead. Although there are but a few men out for basket-ball thus far, should the student body show these men that they are interested in the Auburn Basket-ball team and that they want the Auburn basket-ball team to win, they would let every team they play know that they had been in a basket-ball game before the final whistle blew.

Another reason that we have so much trouble in turning out a good basket-ball team is that we have so few candidates from whom to choose. Out of a student body of over 700, we have only about 8 men out for the basket-ball team at the present date.

We have some good material in college this year, such as, Watkins, Payne, Carter, Taylor, Forbes, Cook and Schomberg, who played on last year's team, but we cannot expect these men to develop into A No. 1 basket-ball players unless they have someone to scrimmage against. Basket-ball practice is held every Monday, Wednesday, Friday, and Saturday afternoon at 4 p. m., until after Christmas, and then it will be held every night from 7 to 8:30.

With the Pigskin in Southern Colleges

Turkey day brought the Southern football season of 1914 to a close. Again Sewanee surprised the dopesters by beating poor old Vandy 14 to 13. The score was close it is true, but everyone thought the Commodores would trim the Tigers by a good margin. This is the first time since 1909 that Sewanee has been able to win from Vandy and the mountaineers have great cause for rejoicing. Incidentally this was the sixth straight defeat that the Commodores have suffered, something that has not happened before under Dan McGugin's regime.

Curry again played in the stellar roles for Vandy with Northcutt also making some long runs. Capt. Tolley for the Tigers featured with a run of 75 yards and "Big" Parker was a consistent ground gainer. Tolley will most certainly make a strong bid for all-Southern honors.

Tech romped over Clemson 26 to 6, in a fiercely fought contest which at times bordered on a free-for-all fight. This is the seventh straight win for the Yellowjackets over the South Carolinians. The game was featured by several spectacular plays, Capt. Fielder of the Jackets pulling off several runs for from 20 to 40 yards and several forward passes were successful for 25-yard gains.

For the Techites the work of Capt. Fielder, Patten, Goree, and Morrison were the best offensively, while the defensive work of Johnston was superb. Webb and James did the best work for the Tigers.

Tennessee closed her football season with an unbroken line of victories by defeating Ky. State 23 to 6. Although the Kentuckians were heavily outweighed, they put up a strong game. Nowell, Rainey and Thomason did the best work for Tennessee and Carroll featured by kicking a goal from placement.

For the Kentuckians, Schroeder and Crutcher did the best work.

"The Thin Red Line" of the plucky Alabamians succumbed to the heavy onslaughts of the farmers from Miss A. and M., in a game that was marred by much fumbling. When the game ended the count was 9 to 0, with Mississippi holding the big end and the Farmer's goal line was never seriously threatened. McArthur, Jones, Gaddy and Kimball starred for the A. and M., and the latter will most certainly be accorded all-Southern honors by some this season.

For the Crimson and White Vandegriff again played in the shining roles, his punting as usual featuring the game. Love also played a great game at left end.

THE CUP GOES OVER

Websterians Get Ample Revenge on Old Rivals

Thanksgiving night Langdon Hall was the scene of the closest and probably the best debate staged here for several years. The speakers showed real technique and, bowing rather tardily to what has long been the accepted custom among collegiate debating circles, all four of the participants were allowed to speak in rebuttal.

Mr. Smith opened the debate for the Wirts, defending the affirmative side of the question, "Resolved that the railroads of the United States should be owned and operated by the government." He devoted his attention chiefly to proving that there is urgent need of reform in the railroad management of today and that the Interstate Commerce Commission, is inadequate to cope with the situation.

Mr. Manning, the first speaker for the negative, pictured the financial ruin which he claimed would follow an attempt by the government to purchase the railroads. At this point the Wirt's seemed to have a slight edge over their opponents.

Mr. Welles followed with a splendidly constructed and well-delivered defense of the government ownership plan. He pointed out that the United States had built the Panama Canal without the slightest suspicion ever being aroused of inefficiency or financial dishonesty. He cited the postal system as an example of successful federal administration and he quoted statistics to show the gratifying results of government ownership of railroads in other countries.

Mr. Hayes raised Websterian stock to par with a quiet, forcible speech wherein he pointed out numerous probable defects in the proposed system, read a letter from a Northern Governor who favored his side, and argued that men of expert ability would not work for the government because it affords no chance for individual progress and business advancement.

Mr. Manning opened the rebuttal for the negative and played havoc with several minor affirmative points, his only fault being that he quoted prejudiced authority.

Mr. Smith reminded the audience that the affirmative had in his mind, successfully proved that some change was needed. Therefore, he said, the negative must either offer a better method of reform than government ownership or accept that plan.

Mr. Hayes presented a strong rebuttal and then Mr. Welles closed the debate for the affirmative.

The judges, Rev. Mr. Frazier, Prof. Fullan and Prof. Shi, returned a two to one decision that the affirmative had failed to successfully bear the heavy burden of proof which rested on them. The main speeches of the affirmative were more skillfully constructed and their line of attack more forcefully presented than of their opponents. However, the negative speakers got a tremendous amount of "pep" into their rebuttals and, by some very telling refutation work, snatched victory from the hands of the Wirts.

A Lament

Hear this, ye old men, and give ear, all ye inhabitants of Auburn. Hath this been in your days or in the days of your fathers? Tell ye your children of it, and let your children tell another generation. That which the treasurer hath left hath Manuel taken; and that which Manuel hath left hath Monteith taken, and that which Monteith hath left hath the landlady taken. Alas for the day! for the time of the Christmas present draweth near.

AUBURN, ALA., DEC. 3, 1914.

Needless to say Auburn feels disappointed over the fact that the judges have not accorded her the championship which she feels that she justly deserves, yet there is not one word of censure or disgruntlement over the decision. She will rest content for the season with having achieved the unique distinction of keeping her goal line from being crossed by any single opponent during the past season. As has been remarked she is the only team South of the North Pole which has done this. The bards of another college may sing over the championship but the Auburn bards will find plenty in the heroic deeds done on the battlefields of this year's gridiron to occupy their attention and thought for many moons to come.

One certain subject has been brought to our attention time and time again, it has been consistently avoided in the hope that it would die out of its own accord. However, since there seems to be no promise of this being worked out, we shall state the question and depend upon the time-honored chivalry of the Southerner to correct the habit.

This practice is one that many of our number have thoughtlessly fallen into, the objectionable practice of running along the side of passenger trains as they come in, seeking out a pretty girl, who is usually unescorted, and then congregating on the outside of the window to pass jesting remarks and would-be pleasantries about the fair one. Quite frequently the crowd congregates about a window where the fair passenger is genuinely annoyed and such conduct is certainly not of a gentlemanly nature. And perhaps it might be well for us to remember that attentions of this sort do not constitute an overwhelming honor.

Every college song that we use in Auburn is really nothing more or less than parody. A recent published collection of Southern college songs has a representation from all Southern Colleges except Auburn and it doesn't look well for our college spirit that such a condition could exist.

If finances permitted, there is nothing that the Orange and Blue would enjoy more than to offer prizes for the best original music and words that could be composed among our students. If any indi-

vidual or individuals in college feel philanthropically inclined, it would give us great pleasure to give a contest of this nature all the publicity possible.

However, we trust that our poets and musicians will not stop because of the fact that no prize is forthcoming, but rather that they will recognize the need and supply it.

Out of practically 350 student subscribers to the Orange and Blue, only about 150 of them have paid up their subscriptions, which leaves 200 unpaid. It has been the aim of the paper to wait on the pleasure of these students but the time has come when we are about at the end of our rope and unless some cash is forthcoming at an early date the paper cannot be run throughout the school year.

THE OBSERVER

(By Overstreet)

Well, Tennessee has been voted the Press Club Cup for the Championship of the South. The Committee composed of Messrs. Jemison, (Atlanta Constitution); Greer, (Birmingham Age-Herald); and Caldwell, (Memphis Commercial Appeal) voted; Jemison for Auburn, the other two for Tennessee.

One cup or a half dozen awarded to the Volunteers would not convince us that we can't beat them in an American game of football, whether played in Canton, China, or Knoxville, Tennessee. However, as there is no chance for that game, and since the views of two Southern sporting writers do not mean everything, we still retain our claim to championship honors for 1914 on the merits of our season's showing.

Auburn will end the season of 1914 Saturday in an encounter with the Carlisle Indians in Atlanta. The Indians have steadily improved during the latter part of the season and the battle will be well worth seeing.

Vanderbilt seems to be the hard-luck team of the S. I. A. A., this season, losing to North Carolina and Sewanee by one point and to Tennessee by two. Any of us who are grouchy because we are in a muddle over a championship should consider how we would feel if, like Vanderbilt, we had lost practically every game.

The Naval Ship struck a snag off West Point again Saturday. The Army had the Navy's goat in a literal sense and he was used to decorate a monument on the grounds at West Point on the night following the victory.

Thanksgiving is just over without fatalities,—for which we are thankful. We are now thankful that it is only one month until Christmas. In the meantime there are a few pretty stiff exams to shine by and it might not be a bad idea to look them over.

Agricultural Club

The regular meeting of the Agriculture club was held on Friday night, the attendance was very small. Officers for the next term were elected, and the following program was rendered. All Agricultural men are urgently requested to come out and bring a man.

The Florida Alligators defeated Mercer 14 to 0. A. and M. of Texas secured a 14 to 7 victory over "Ole Miss." South Carolina managed to defeat Citadel 7 to 6.

Cornell defeated Pennsylvania in their annual contest 24 to 12. The Ithacans showed that they had scoring power and barring fumbles and penalties, should have won by a larger score. Barrett of Cornell was the star of the game both offensively and defensively.

Choice All-Southern Team

Age-Herald and the Atlanta Sunday American.

As usual no two of these dopsters agree on the same team, hence we have attempted to make a consolidated pick, in order to get the most representative team. The position, name of player, college, and number of votes received by each man for his position is given above.

It will be voted that Auburn has four men on this team, a larger representation than any other college has; Tennessee coming second with three. Pitts (Auburn), Kimball (Miss. A. and M.), and Paddock (Ga.), were the only ones receiving a unanimous choice, Baby Taylor coming next with four votes. Red Harris was accorded one vote for full-back and Captain Robinson received two votes for right end. Other Auburn men who received honorable mention were Bidez for full-back, Prendergast for half-back, Arnold for quarter-back, Louisell for tackle, and Steed for tackle. Frank Hart also received one choice for the half-back position.

Sikes of Vanderbilt received three votes but two were for half-back and one for full.

Hicks, of Alabama, Kerr, of Tennessee, Senter of Tech, Spurlock of Miss A. and M., Schilleter of Clemson and Dobbins of Sewanee were other men who received votes for their various positions.

Football Banquet

words of Hamlet "He made a good end." "Robby" responded to the toast to "The Team" and paid tribute to the team of which he has the honor to lead. For the team he praised the Coaches and the student body to whom the success of the team has been largely due. Coach Donahue, the Coach of Coaches, he said, is responsible for the season's success.

G. W. Duncan of Auburn spoke on "The Alumni" and told of the universal loyalty of Auburn men.

The dinner—Ye Gods! We haven't even mentioned that dinner—but believe us, it was "there," and having been just about stowed beneath the hatches, Prof. B. B. next proposed the toast to "The Second Team" which was responded to by Coach "Tick" Tichenor. In speaking of second teams Tick says that the greatest one in the U. S. is Tennessee. To the Auburn "scrubs" he gave the credit for the Championship and the immaculate goal line. The team which listened to that speech cannot fail to win in the year-to-come, 1915.

Dr. W. E. Hinds responded to the toast, "The Making of a Sportsman" in which he said that Auburn has gained the name of a true sport among the teams we meet. Such a name as this is the highest tribute which can be paid any institution.

Prophecy was next in line, J. R. Campbell stating the future of the Auburn successes from that minute on.

"The Auburn Spirit from the Standpoint of a Vanderbilt Man" was responded to by the Rev. J. W. Frazer. He spoke highly of the efficiency and spirit of Auburn athletics and concluded by saying, that while Tennessee may have the cup, Auburn has the "punch."

Now here's where you get it! Bubbling over with feeling for his alma mater, the greatest center in America, "Boozie" Pitts rose to the occasion with an extemporaneous speech in praise of Old Auburn. Boozie may not be an orator but he certainly holds the dope.

'Twas midnight—I've said that before, but this rhyme Depends quite a bit on the element, time.

So again I reiterate

Bone-headed readers may fail to get in it

That 'twas midnight, the hour, the second, the minute.

That 'twas midnight, the hour, the second, the minute.

And the greatest football banquet of twenty-three years was over.

—J. B. Overstreet.

"The Auburn Spirit from the Standpoint of a Vanderbilt Man" was responded to by the Rev. J. W. Frazer. He spoke highly of the efficiency and spirit of Auburn athletics and concluded by saying, that while Tennessee may have the cup, Auburn has the "punch."

Now here's where you get it! Bubbling over with feeling for his alma mater, the greatest center in America, "Boozie" Pitts rose to the occasion with an extemporaneous speech in praise of Old Auburn. Boozie may not be an orator but he certainly holds the dope.

Auburn yells were given and the Orchestra trilled "Tipperary" then 'twas twelve bells;—

'Twas midnight—I've said that before, but this rhyme Depends quite a bit on the element, time.

So again I reiterate
So none but illiterate,
Bone-headed readers may fail to get in it

That 'twas midnight, the hour, the second, the minute.

And the greatest football banquet of twenty-three years was over.

—J. B. Overstreet.

Agricultural Notes

Mr. J. C. Ford, head of the work of Pig Clubs in the extension department is at work formulating plans for the distribution of winter legume seed to boys throughout the state.

Mr. Noel Negley is spending the week in Mobile county, where he is co-operating with the Mobile Chamber of Commerce in a campaign to urge the Mobile farmers to go in for diversified farming.

Due to the cotton market failure, an arousing interest is manifest throughout the state in dairy work. Five small creameries have been erected in the state and there is a strong probability of several more being erected.

HOPELESS HAL

Of all sad words, it seems to me,
The saddest I've heard is Tennessee!

Life is just one set of examinations after another.

Society Note.—Mr. Edward A. Allen, of Birmingham, is visiting in Auburn for a few days.

What a funny bird the frog are:
When he sit he almost lie;
When he hop he almost flie;
Ain't got no sense at all hardly!

N. U. T., '18.

Bud Fisher said that somebody sent a watermelon to Europe so they could feed the German soldiers on the Rhine. Wow! Nobody home but the trees and they are leaving. You can see the trunks.

Methinks I hear an inward voice
That I have heard of yore,
A voice that murmureth low to me
Like the wave upon the shore,
"Beware the Xmas term exams
And study, lest ye Four!"

Not that it makes any difference to us, but we think that anyone guilty of such verse as the above deserves morning roll call all through the Xmas holidays.

That reminds us: Some Sad Bird sent a poem to the O. and B. entitled, "Why Do I Live?" It was mailed back with the following note, "Because you mailed your contribution instead of bringing it in yourself."

The greatest mistake
That a girl can make
Is to think she's the only
Sweet Crumb in the cake!

The same idea might profitably be turned over in the distended craniums of some masculine "heart-smashers."

"Are there enough lifeboats for all the passengers?"

"No."

"Are there life preservers for everybody?"

"No."

"Well, hasn't anything been done in preparation for shipwreck?"

"Well, the band has learned to play 'Nearer, My God, to Thee' in the dark."

The Young Man: I understand your father speaks very highly of me.

The Young Lady: Yes; but he only does that for fun.

The Young Man: Are you sure?

The Young Lady: Positive. He just does it to torment mother.

One of the guests at the wedding, seeing a dismal-looking young man who appeared to be on terms of familiarity with the principals, asked:

"Are you related to the bride or to the bridegroom-elect?"

"No," was the gloomy reply.

"Then," said the guest, "What interest have you in the ceremony?"

"Well," replied the young man, "I'm the defeated candidate."—Ladies' Home Journal.

A BUSINESS "MOVIE"

Tuesday night a most enjoyable and instructive three-reel moving picture was presented in Langdon Hall, under the auspices of the Engineering Society. Iron ore was followed pictorially from its excavation in the mine through all the stages of manufacture until the finished steel piping is ready for sale. Interesting views were also shown of the plants and premises of the National Tube Company.

Keen interest was evidenced in this new form of entertainment and the Engineering Society are to be congratulated on the success of their show.

If there are enough wanting to go next spring, at a suitable time the General Secretary will be glad to arrange to take a bunch down.

Dr. C. C. Thach made the talk at the afternoon meeting last Sunday. His rich thoughts and great spirit attract our attention and inspire us.

"What's the cause?"

"The service, of course. Let me show you. 'Hello, exchange, hello. Why don't you answer? I want Mrs. Brown, Mrs. Julia Brown. What number? Sixty-two Tanglefoot Street. Number? I just told you. Oh, that? You mean her telephone number? Why, its—there, you've gone and put it all out of my head. I'll have to look in the book. Dear, dear, the book is upstairs. Well, I never in all my life saw such service!'"—Cleveland Plain Dealer.
